Next meeting – June 20, 2007 at 7:00 P.M. in Miller Hall, Francis Farm, Rehoboth

At the May meeting, with about 60 members in attendance, here is some of what took place:

Bill Weston of the Rock Busters Club spoke briefly about his business- he sells new wood chippers, also does repairs on all equipment. His phone number is 508 930-0358. (You may have seen 3 new wood chippers he brought to the Swap Meet.)

Discussion held on Swap Meet: TJ Mello suggested dividing up the Swap Meet/Tractor Pull into a two day event next year, with Tractor Pull on Saturday and Swap Meet on Sunday. The display was huge and so well attended, parking was difficult.

Tony Oliveira of Westport spoke about the Westport Fair – and invited the club on *July 21 to provide a working display from 12 – 5 P.M.* in the pulling area.

We could have tractor games and display our banner. We would need to arrive by 11:00 A.M., and at 5 P.M. would need to move trailers across the street due to a huge chicken barbecue held on that Saturday evening. Participants would need to pay admission to the fair. *However, this will be returned to the club as one*

*check.* The Westport Fair by the way runs from July 18 – 22. Be sure to attend our June 20 club meeting when decisions will be announced.

Volunteers were signed up for the Chicken Barbecue, which would be held after the Rehoboth Memorial Day Parade. (Turned out to be very successful, good food, followed by strawberry shortcake!! Everyone ate well and enjoyed the afternoon.) Lots of visitors to the Museum, too.

A card will be sent to Bill Benoit, who was in the hospital. Hope he's better now, and able to attend our next meeting.

The 50/50 winner was Louis Gizzi, and the winner of the John Deere coffee mugs was Tony Vacca.

At the next meeting, we will be passing out RAFFLE tickets for members to sell (for the John Deere LA Lawn Tractor). Your help is needed here – so please volunteer.

Notice of this newsletter will now be sent by e-mail to *confirmed* e-mail addresses. Those people will then be able to go to website to immediately read the newsletter. Confirm your e-mail with Margaret. See back page.

On June 9, the club will take part in the Foxboro Founders Day Parade. Assemble from 9 – 9:30 at 132 Central St, Foxboro (This is Rte 140) Contact Richie Lemieux 508 252-3976 if want to participate. This parade will start at Central St, go toward Common, to Mechanic Street, Bird Street, around Common to South Street, and end at Booth Playground

Some members will be participating in the Cranberry Flywheelers Show June 2 and June 3 at Plymouth Airport. Hope this letter arrives in time to draw more participants.

Plan to attend the Rock Buster Show At Zagrav Farm Museum, Rte. 85, Colchester, CT from July 20- 22. This is the 2007 International Convention of the *Historical Construction Equipment Association*. Visit [www.hcea.net](http://www.hcea.net) or call 419-352-5616 for information. SEE POSTER

*Member, David Carpenter, set up 753 toy tractors and equipment in two display cases at the Francis Farm Clambake Museum. This will be a big attraction for children. Hours of museum are Friday 5 – 7 P.M.; Saturday and Sunday 1-3 P.M. Also open when large events held. THANK YOU, DAVID!!!!!!!!!!!!*
